IPWA AND US-RSPE MEMBERSHIP APPLICATION

Due to the synergies that can be achieved by combining efforts and common interests, the US Roundtable for Sustainable Poultry & Eggs and the International Poultry Welfare Alliance offer joint membership to stakeholders within the poultry & egg value-chain. The goal of this collaboration is to allow members to benefit from both sustainability and animal welfare discussions and actions.

Please provide the name of the organization or individual who is applying for membership:

Please tell us about your interest in joining IPWA, US-RSPE or both organizations:

Please tell us more about your organization's current commitment to sustainability and/or animal welfare within the poultry and egg value chain and/or how you feel your interest and efforts interconnect with the mission and vision of the IPWA/US-RSPE (If applicable, please include your organization's own mission and vision):

Please provide a short description of your organization (This narrative will be utilized in the membership application review process):

How did you hear about the IPWA/US-RSPE?

If applicable, please provide us with links for your organization's website and social media platform:

Please select the constituency group that you feel best represents your organization:

- LIVE PRODUCTION** - Individual farmers and organizations (producers, processors and breeders) who are actively involved in the ownership and/or management of commercial live poultry, including genetics companies, producers and processors of turkey, broiler, duck and eggs into saleable product.
- RETAIL/FOOD SERVICE**- Individuals and organizations who bring poultry and poultry-related products to the end consumer.
- SUPPLIER** - Individuals and organizations who are actively involved in supplying commercial poultry production with products or services.
- RESEARCH** - Individuals and organizations involved in research, knowledge development and dissemination of poultry production, products, science and welfare in the widest sense
- CIVIL SOCIETY AND ASSOCIATIONS** - Non-government and non-commercial institutions, foundations, associations and organizations whose members have an interest in poultry welfare, poultry production and sustainability.
